

MICHAEL B. AND SANDRA R. SARGEANT 1059 N. Willow Way 654-2080

Mike was born in Corvallis, Oregon. During his childhood his family moved frequently living in several Western States; finally settling in Northern California where they remained for the next fifteen years. After high school, Mike attended one year at B.Y.U. and nearly completed a degree in Business Management before starting a career in construction. After a few years working in various construction trades including a two year stay on the Trans-Alaska Pipeline, Mike returned to Provo in 1976 to continue building. There he met Sandy who was working as a secretary at B.Y.U. They were married in April 1977 in the Provo Temple. Mike's building interests took them to Park City where he began general contracting. The family moved to Heber in Oct. 1978. Mike continues to operate a construction business in the Northern Utah area.

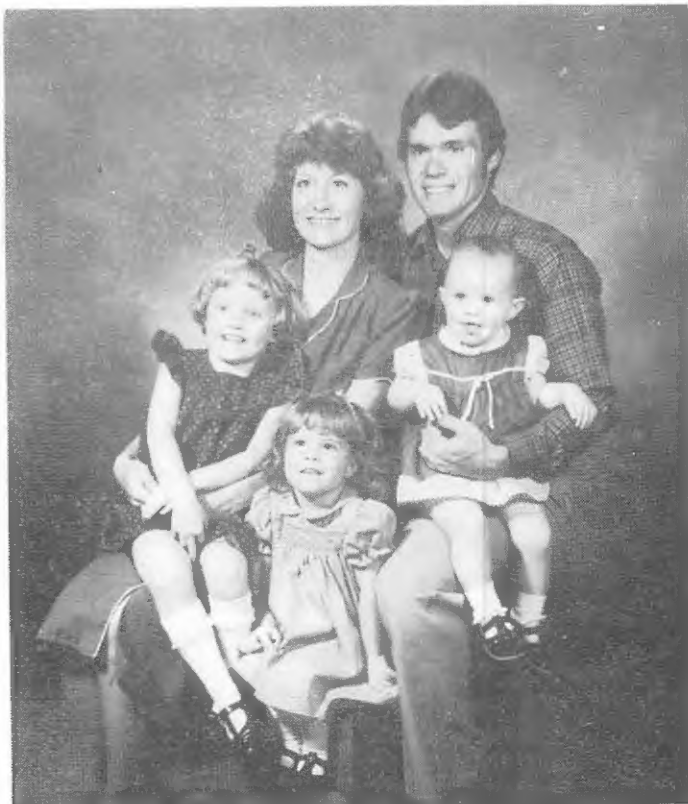

Work occupies most of Mike's time, but other interests include hunting, fishing, camping, family, church, sports, travel, and more work.

Sandy was born and raised in a small community in central Oregon, where her father owned and operated a farm. Upon graduating from high school with a class of 20, she completed a semester at B.Y.U. then returned to Oregon to a business college. There she received a secretarial degree. Again she attended B.Y.U. for one more semester, then worked as a secretary for the Provo School District, The Extension Service, and finally at B.Y.U.

Sandy enjoys her family, church, yardwork, sewing, piano, golf, volleyball and aerobics.

Mike and Sandy have four children. 3 daughters and 1 son. Stephanie enjoys gymnastics, primary and friends. Brenda enjoys helping Mom, singing, and Joy School. Jennifer learns alot from her sisters & likes to do what they do. Adam, the most recent addition to our family is enjoyed by all of us.

Mike and Diane first met when Mike was baptized ten years ago. Diane had, along with her sisters, been assigned to handle the music because her father was the Seventies Quorum Group Leader. They were married a year and a half later in the Los Angeles Temple.

The Schaefer's have moved back and forth between Utah and Texas (Mike's home) the last nine years. During the six years that they lived in Orem, they dreamed of being able to move to the Heber Valley. Having finally arrived in "The Place", we wished we would have moved up years ago.

Mike enjoys working with troubled kids and professionally wants to build his own school for troubled children. He is finally finishing his formal education at the University of Utah.

Diane is a very special person who enjoys gardening, music, sewing, and has a new found interest and growing knowledge in sign language. She has held callings in every organization of the church except the Priesthood Organization.

The Schaefer's have three beautiful girls, Alana Jean, 7, who is their Texas sweetheart, Lisa Marie, 5, and Jill Michelle, 1½, who were both almost born in the car on the way to the hospital in Provo. The two older girls are anxious to begin school with their new friends in their new home town.
